RULES and REGULATIONS (Revised Original 03/20/2005)

DECLARATION of RESTRICTIVE CONVANENTS

STONEWALL ACRES SITE-OWNERS' ASSOCIATION CAMPGROUND WELCOMING COMMITTEE

Welcome to Stonewall Acres Campground!

The Welcoming Committee has assembled a Welcome Package with helpful information about our Park. Included in your welcome package are the Rules and Regulations, the Restrictive Covenants of the Stonewall Acres Site-Owners Association. Please take time to read them and keep them handy as a reference guide to the general operations of our Park. Please do not hesitate to approach any of the Executive members if you should have any questions. These two important references are available on the Stonewall Acres website as well.

The common areas such as the clubhouse, the playground, ballfield and pool are reserved for the residents of Stonewall and their guests. We expect everyone to respect our property and the pool regulations required by the State of New York. These areas are available for site-owners to use at any time with the exception of events held by the Entertainment committee or the Executive for Park Business. Notice of these events are posted on the board on the Mailbox Shelter and the Bulletin Board as you enter on Stonewall Drive. We hope you join us at the gatherings that take place throughout the camping season. We look forward to meeting you.

Another source of information is the Stonewall Acres website at www.stonewall.site. As a means of maintaining privacy for our community, site-owners and their families are required to complete a sign-up request in order to login. Once a member you will have access to The PARK BUSINESS, COMMUNITY NEWS, the FEATURE STORY, the MEMORY LANE photo gallery and the FORUM, an interactive message board reserved for members. The HOME page is available to the public and includes an overview photo gallery of the Park along with the LATEST NEWS banner for quick updates. The CONTACT US form at the bottom of the home page will send an email in which your message is forwarded to someone that can help you with any concerns you might have.

Stonewall is a collaboration of site-owners and its operations are managed by the Executive Committee that is elected to their positions by you at the General Fall meeting. The changes and growth of Stonewall are discussed and voted upon at the Spring and Fall meetings that take place at the Clubhouse. Your participation in these meetings is key to the success of our community. Please attend.

Please note the speed limit is 10 miles per hour. This applies to all vehicles including golf carts. The garbage container for waste accumulated while at Stonewall is now located beside well #1. Thank you in advance for your cooperation.

For more information, please contact us in an email to stonewallacres@gmail.com. Wishing you an enjoyable camping experience at Stonewall Acres.

The Stonewall Acres Welcoming Committee
Linda Gwynne and Deb Young
